Roborough Inner wheel Newsletter September 2022

Well ladies Autumn is well and truly with us yet this has not stopped us from enjoying special moments. Celebrations all the way this month starting with Eileen's 90th birthday, the consecration of Sara's son James as Bishop of Plymouth, the successful delivery of the LIAB Boxes that we helped pack last month and for Debbie a new grandson.

Lovely photo of the 'Birthday' lady. I am sure we all wished her well and what scrummy treats Eileen received.

There were quite a few birthdays last month hope you all enjoyed your day!

Jacqueline took Eileen for a trip to the blockhouse and then a hot drink and no doubt some form of lovely cake. I have never been there but can see from the photographs the views are just lovely.

Items we collect and who we give them to:-

Elizabeth Chatwin; Bottle tops

Patricia : Used stamps

Sylvia : Ring pulls

Crisp Packets(Flat please)

Medication blister packs.

Emma Cann bridge School : Empty pringle tubes.

Thank you ladies you do a marvellous job.X

Our new Bishop of Plymouth with a very proud Mother.

The boxes that we helped Rotary pack last month arrived safely at the Arise Ruth Foundation. How lovely to see the children who will benefit from this gift.

Handing over the PA System, Juke box donated by Debbie and children's books, paints, jigsaws etc. Gratefully received by the Headmaster Mr Michael Loveman . Unfortunately Emma was poorly on the day we had arranged to

I think we should have a caption competition for this one. What was going on?

A very good coffee morning at Sara's house. Meeting new friends. Hopefully Ruth and Jenny will join us some point in the future. You will be most welcome by all.

Dear ladies I will be away from the 30th October until 19th November. Please take photos of anything you are doing for IW and email them to me . Thank you Bridget.
