

Inner Wheel Club of Liskeard & Looe. District 129.

60th Birthday Dinner, October 9th 2021

Special Guest, TEDDY.

Due to the pandemic, our 60th Birthday was put on hold from March 2020 and finally celebrated 18 months later, on October 9th 2021 at the Hannaford Point Hotel, Looe. Special guests included our District charman Hilary Genes, our founder member Margaret Shepherd who cut the cake, and our own Pat Richards, who was presented with the Honorary Members Award. We also welcomed several members from other clubs in District 129.

However, the real guest of honour was Teddy, who joined in all the proceedings and presentations, and even joined the entertainment at the end !!
