ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

Roborough Inner wheel Newsletter January 2024

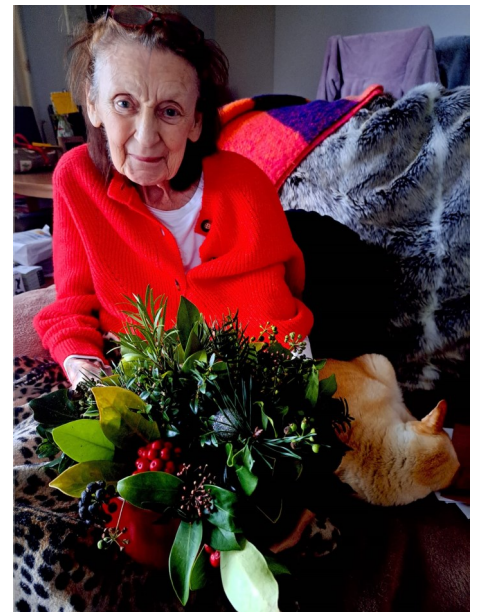

Welcome to the New Year Newsletter! What a very special year it is for Inner Wheel! 100 years since Margaret Golding started this wonderful organisation. I think she would be very proud of all that has been achieved. The organisation has gone from strength to strength built on strong foundations by the most amazing women. We have several in our club. Founding members who have worked hard to support the constitution, bring to life the idea of fun and friendship, working hard to support and aid in the local community. Liz's mother Beryl Parsons was the first President and Eileen Marshall and Sara Greer were also on the committee. They started the Club off in 1977 with the help of Rosie Blackwell from District and Dorothy Bailey who was the Extension Officer to help set up new Clubs. Where would we be without them?

Ruth very kindly volunteered to take the Christmas gifts to our Beryl who was delighted to receive them. Beryl is still in Down House. Should that change we will let you know.

Andrea and Ian very kindly stopped off to see Rosemary on their way to see their daughter. As you can see she was delighted to see them and happy to receive the floral centre piece.

Pam played Santa to Pam U'ren. Good to see her and her lovely cat. Pam spent time chatting and enjoying her company.

Birthdays

Just 2 this month:

Bridget (me) 3rd

Jan 7th

Many of you have been busy knitting squares for the 100 initiative. I have more to take down to District so if your are keeping those fingers busy bring them too.

Although just the beginning of the year we need to start filling those diaries:

Wednesday 28th February: Charity Cheese and Wine evening.

Friday 8th March: International Women's day and District meeting at Trethorne. (Ladies anyone for Bowls).

Tuesday 16th: Fashion Show Yelverton Golf Club.

Tuesday 16th May: Charter Lunch Yelverton Golf Club

Tuesday 25th June: AGM Yelverton Golf Club 6-630.

Friday 13th December: Christmas Meal YGC.

How mean was I! Little bit of time to spare and who better to interview but our Andrea.

A very interesting talk and well received by the club, especially the new members. Who knows who will be next? Will it be you?

Our Guest speaker was Chelsea from Derriford Therapies. Interesting but a little gruesome at times! Goody bags were given out. I have some for those who were absent.
