ASSOCIATION OF INNER WHEEL CLUBS IN GREAT BRITAIN & IRELAND

Roborough Inner wheel News-

Hello lovely ladies. A little later than usual for which I apologise. A very mixed month of highs and lows, sorrow and laughter. All part of life's rich tapestry. It is lovely to have seen the primroses, Devon violets and now the bluebells. Not quite so fond of the wild garlics rich aroma. There were outings to Bodmin IW to celebrate their 70th Anniversary, the Fashion Show and an extremely interesting talk by Mel Hands. We have visited our Beryl, Jan and Patricia. Inner Wheel doing what it does best, supporting each other.

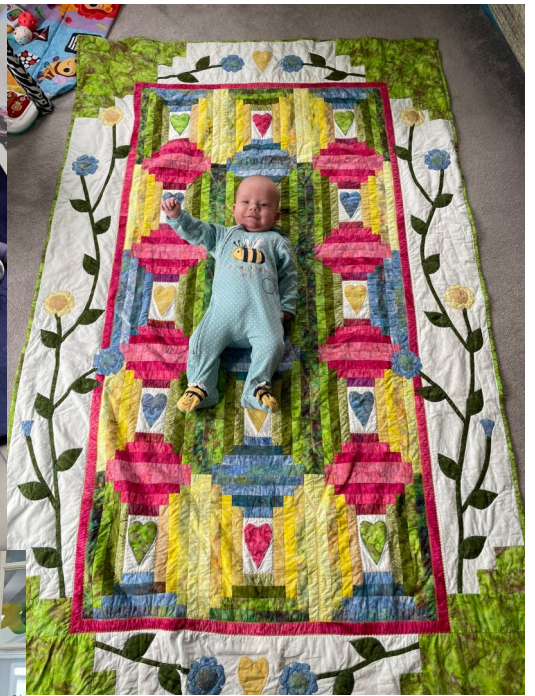

A Good day at Bodmin. Fabulous food. Very good company. Plenty of fun and wonderful entertainment

May Birthdays

We have two birthday ladies this month. Vicki will have hers on the 4th and Elizabeth Chatwin celebrates becoming an Octogenarian on the 24th. Happy Birthday X

Some fabulous raffle prizes were won by delighted ladies.

Fiona and her team did a marvellous show with fabulous clothes. Helping to raise a wonderful amount of money for the NSCPKU. Thank you to YGC too.

The lady who won the star prize was delighted. Intended for her latest grand daughter.

Mel Hands a volunteer First Responder. What a wonder she is. Very good talk. Thank you Mel
